

THE JOURNEY

- Thérèse - Hi friends ! Do you see this fine weather ! We could go somewhere !
- D & E - Great ! What a good idea !
- Evelyne - To the countryside ?
- Thérèse - No, because there are too much “glyphosate”.
- Denise - To the sea, then !
- Thérèse - Oh no ! We are already by the seaside !
- Evelyne - Then to the mountain !
- Thérèse - In the Alpes or in the Pyrénées ? The Pyrénées are closer.
- D-Th-E - Okay Amazing !
- Denise - When do we leave ?
- Evelyne - Not during the school holiday it’s more expensive.
- Thérèse - Next week !
- D-Th-E - Why not !
- Denise - What sort of transportation will we take ?
- Evelyne - The car seems more practical than the train.
- Thérèse - Do you know a flat, where we could go, near the skislope ?
- Denise - By the way, is there snow in the mountain ?
- Thérèse - Oh, yes ! A friend of mine who comes back from La Mongie told me that there is a lot of snow ! The altitude is 1800 meters.
- Evelyne - Does she rent her flat ?
- Thérèse - Yes, she does.
- D-Th-E - Super !
- Denise - Do you have your skiing equipment ?
- Evelyne - I have nothing.
- Denise - Yes, I have.
- Thérèse - So do I, but my equipment is vintage.
- D & E - She must be joking !
- D-Th-E - Let’s prepare our luggage.
- Denise - Something wrong ?
- Evelyne - Yes of course, our English course ! Will our Teacher give us the permission to go away ?
